## Explanations

- 1 Payment must be made without charge to the payee.
- 2 Debits from deposit accounts with the EPO may only be made in EUR.
- 3 Contracting States should only be specified if they differ from those indicated in box 32.2 of EPO Form 1001 (Request for Grant) or in box 10.2 of EPO Form 1200.
- 4 When extension fees are paid, the States for which they are intended must be specified.
